Subject: RDGC Appendix B SMA Delineation Evaluation
Attachments: [Appendix B_RD Topics and Discussion_SMA Delineation Evaluation.pdf](#)

Good Morning Mike and Eron,

As part of the continuing development of the Remedial Design Guidelines and Considerations (RDGC) document, EPA developed the attached guideline to evaluate the uncertainty in SMA delineations. This guideline will be incorporated into the next version of the RDGC, but EPA is providing an advance copy to Performing Parties.

Feel free to reach out with any questions.

Thank you,

Madi Novak, Remedial Project Manager
EPA Region 10, Superfund & Emergency Management Division
Oregon Operations Office
